Spirits of the Abandoned, Maryland, is a visual adventure exploring the hidden photographic treasures that lie behind the shuttered facades of long abandoned buildings.

If you have ever wondered what became of your favorite movie theater, or longed to know what was inside the securely locked and decaying building you pass each day, then the Spirits of the Abandoned exhibition will take you on a wonderful journey into the past.

The exhibition is the culmination of a three part thesis project, which also features a coffee table book and website. www.spiritsoftheabandoned.com
